IEG PI NOTICE

No. 36-77

TITLE/SIGNIFICANCE:

BIG FRED (BIG WEDGE ON MT-LB)

COMMENT: BIG FRED, the official designator for the BIG WEDGE on MT-LB, consists of a trough-type reflector on an MT-LB chassis. BIG FRED has been seen in Soviet Artillery units [redacted] as well as in a depot in Khabarovsk, USSR. The precise function of BIG FRED, i. e. whether it is counter mortar/counter battery or battlefield-surveillance, is presently undetermined.
